

Fees Policy

Policy introduction

Weldon Children's Services strives to provide high quality care, education and leisure programs. To achieve this aim we need to be financially viable at all times. Prompt payment of fees allows us to plan with certainty. We have a commitment to ensuring our fees are as affordable as possible and that all families have access to any subsidies that are available to reduce the cost of care. We will advocate with governments for all children's rights to access early education and school age care regardless of their family's financial situation.

Our policy in action

Our financial health and access to our programs will be maximised by:

- Ensuring families are aware of all fees and fee payment requirements upon enrolment
- Keeping fee increases to a minimum
- Ensuring the cost of administering fee collection is minimised
- Following the appropriate priority of access requirements
- Following all legal compliance required by our access to government funding
- Managing fee collection to avoid bad debts
- Families are notified as far ahead as possible and no less than fourteen days in advance of any changes to fees or the ways in which fees will be collected
- Ensuring we issue invoices on a weekly basis

Glossary of Terms

The Approved Provider

With the introduction of the National Quality Framework (NQF) on 1 January 2012, a new national regulatory system was introduced for education and care services across Australia. Under this system an Approved Provider is a person or an entity who holds a Provider Approval under the Children (Education and Care Services) National Law (NSW). This approval authorises the Approved Provider to operate an approved education and care service. Approved Providers were formerly known as licensees of children's services. The Approved Provider is legally responsible for ensuring an early or middle childhood program complies with the National Law and Regulations. This includes ensuring that a program is staffed appropriately, provides for the health, safety and well-being of each child, offers a required program and has a Quality Improvement Plan (QIP) in place. In addition, the National Law sets out a range of offences that incur penalties should failure to comply occur.

Nominated Supervisor

Under the NQF all early childhood and middle childhood programs are required to have a Nominated Supervisor. A Nominated Supervisor, in simple terms is the person with responsibility for the day-to-day management of an Approved Service. The Nominated Supervisor has a range of legal responsibilities under the Law and Regulations that govern the operation of education and care services. The role of Nominated Supervisor is similar to the role of Authorised Supervisor under the previous legislation.

Definition of a Permanent Booking

A permanent booking is one that is ongoing, i.e. there is no defined time limit on the booking. The booking is for the same days and times, whether that is, for an early years booking or a before school care and/or after school care booking for specific days.

Definition of a Casual/Non-Permanent Booking

A casual booking is a booking that is for a finite period of time or there is no commitment for an ongoing booking and this is defined as a casual (non-permanent) booking. A casual booking includes adding additional days to an early years booking or a before school care and/or after school care booking where the additional days have not been specified as a permanent booking and there is no ongoing commitment for the booking.

A family may have a permanent booking for some days and a casual booking for other days. Unless there is ongoing commitment for a booking for all days, the casual booking days will attract the additional surcharge.

Changes to a Permanent Booking – Ten working day notice period

A change to a permanent booking is one that reduces or increases specific days for an early years booking or increases or decreases a before school care and/or after school care booking for specific days. The change is an ongoing change, i.e. there is no defined time limit on the change in booking. A notice period of 10 working days is required for a change in a permanent booking - with the first day of this 10 day notice period being the day the notice is received by the program in question. Swapping a day or adding a day constitutes a change to a permanent booking and requires notice, however, such amendments may be made sooner than the 10 working days, subject to availability.

Strategies for policy implementation

Priority of access - Fees

As the approved provider we will:

- Ensure the organisation complies with Family Assistance Law
- Ensure vacant places are filled under the appropriate priority of access policy for the programs we offer **refer priority of access guidelines – Enrolment and Orientation**
- Work with families to find a solution where families are experiencing hardship or where there are extenuating circumstances preventing families from keeping their accounts current or where the implementation of the policy creates an unreasonable financial burden
- Ensure adequate records of attendance are kept for each child as required

- **Bond deposit** - on enrolment of a permanent booking, a bond (security deposit) equal to the sum of two full weeks is required. The Bond is due and payable upon confirmation of enrolment. Bonds are held separately to general accounts.
- **Commencement of care** – a payment equal to the sum of two weeks of care is payable before the commencement of care ie the current week and a week in advance
- We do **NOT** accept cash - fees are payable only by iPay, with iPay being a debit system that works in conjunction with our Hubhello software.

Families will:

- Ensure all fees are kept a week in advance
- Recognising that parents need to communicate directly with Centrelink so as to confirm at their CCS entitlements, it is the families responsibility to continue paying Weldon's fees until the child's CCS entitlement is confirmed.

Outstanding fees

- Implement an overdue fee process with any families whose fees are not a week in advance
- Follow up late payment accounts to organise a payment plan or suspend care

Families will:

Each minute after this will be charged at \$3 per minute up until 6.30pm, the charge will then increase to \$4 per minute. Late fees are charged to the first two siblings only
